

Tools to better understand each other and cultivate harmony

Day 19

Your challenge today

Identify the differences between these two images in which a parent tries to resolve a conflict between two children:

 Institut Pacifique

Try to adopt the mediator's posture (at the bottom of the picture) the next time there's a conflict in your family or circle!

What if the next challenge gave you concrete tools to adopt the mediator posture during conflicts in your family?

About us:

Institut Pacifique is a charity organization devoted to develop, implement and promote expertise in terms of conflict resolution and psychosocial preventive issues in order to build violence free living environments and to support children, youths and adults psychosocial fulfilments.
